Cultivating expertise. Upholding integrity. Advancing quality.

argyllruane.com

Thank you for the help and support you have shown our NDT technicians who have attended your training courses and exams over the last twelve months. From the trainers to the office staff, you have shown fantastic customer service. Your training facilities are first-class and we look forward to using your services and expertise in the future.

TechnipFMC

WHY TRAIN WITH US

With decades of industry knowledge and experience, we deliver professional, high-quality services to promote and improve the NDT and coatings industry by developing well-trained, highly competent professionals and supporting them and their employers throughout their careers.

1 Experienced and knowledgeable trainers

Our trainers have in-depth industry knowledge and experience spanning across a multitude of sectors; enabling you to fully understand the subject, feel confident taking your exam and leave feeling competent applying what you have learned in the workplace.

3 Over 90 courses

Our knowledge of the industry enables us to provide relevant and up-to-date NDT and coatings training courses.

5 Bespoke solutions

We can work with you to create a bespoke course, tailoring our training to meet your organisational needs and requirements.

7 Money Back Guarantee

We're incredibly proud of our training capabilities, which is why we offer a Money Back Guarantee on NDT courses undertaken at our facilities in Sheffield and Dunfermline.

1

2

2 Excellent training materials and equipment

You will learn on the latest equipment, using high-quality samples and training materials developed by industry experts, verified by professional bodies.

3

4

4 Flexible delivery

Choose from classroom, online or blended training courses; delivered at our facilities, through our approved training partners, or at your organisation.

5

6

6 Accredited by key organisations

Our NDT and coatings courses are in line with internationally recognised and employer-based certification schemes, such as ICorr, PCN (ISO 9712), EN4179, NAS 410, SNT-TC-1A.

7

8

8 Feel fully supported

We will support you in every step of the way to ensure you receive the very best experience during your time with us.

NDT AND COATINGS TRAINING CALENDAR

We offer a variety of levels at our training centres and online. If you require a course or date not listed below, please get in touch and we will try our best to accommodate your needs.

Note: Course dates are correct at the time of issue, but on rare occasions may be subject to change.

Non-Destructive Testing

New to Non-Destructive Testing (NDT) and want to learn more?

Our NDT Appreciation course is great for individuals working within the NDT industry and require a basic understanding of the core methods, including quality managers, consulting engineers, marketing, and administration roles.

Get extensive hands-on experience whilst learning the theories and techniques of the core methods from our first-class trainers, who have a wealth of industry knowledge and experience. Our typical course is 3-days but can be tailored to any duration for your organisation.
